Illegal Ranga Mantapa in a Public Park !

Is MLA M.K. Somashekar misleading K.C. Nagar residents by calling Ranga Mantapa as Makkala Mantapa and violating the Karnataka Parks, Play-fields and Open Spaces Act ?

A view of the park in K.C. Nagar. Picture right shows MLA M.K. Somashekar performing bhoomi puja for Makkala Mantapa in the park this morning as Corporator Vanitha Prasanna and others look on.

Mysuru, Mar. 19 (RKB&DM)- Even as residents have strongly opposed the MCC's controversial move to construct a Bayalu Ranga Mantapa (open air theatre) at Veerayodha A.P. Prashanth Park in K.C. Nagar, KR constituency MLA M.K. Somashekar performed *guddali puja* for Makkala Mantapa (children's stage) at the same spot in the Park this morning.

Speaking on the occasion, Somashekar, dismissing speculations of a Bayalu Ranga Mantapa coming up at the spot, said that he had performed the *guddali puja* for Makkala Mantapa that caters only to the play needs of the children.

Interestingly, the pamphlet announcing the *bhoomi puja* and felicitation to the MLA states that the *bhoomi puja* is for MCC-funded "Bayalu Ranga Mantapa" and not Makkala Mantapa as MLA Somashekar said.

Explaining the features of the Makkala Mantapa being built by the MCC at a cost of Rs. 13.5 lakh, he said that the Mantapa will have an open floor area of 30 sq.mts and also a Green Room with a floor area of 9 sq.mts which includes a toilet, for the benefit of elderly walkers.

(See PARK on page 8)

What the Act says?

Karnataka Parks, Play-fields and Open Spaces (Preservation and Regulation) Act, 1985, clearly states that no buildings or any construction can come up in the parks, play-fields or open spaces. Hence, it is a clear violation of the Act to construct any structure in the Park.

Residents to file petition against construction

Many concerned residents and morning walkers of K.C. Nagar, who use the park every day, have decided to file a petition in the Court challenging the MCC's move to construct an open air theatre in the otherwise quiet and serene park.

Some residents, speaking to *SOM*, said MLA Somashekar was trying to fool the tax-paying citizens in the name of children by just changing the name of Ranga Mantapa (open air theatre) as Makkala Mantapa (children's stage) when in fact they are building an open air theatre spending Rs. 13.5 lakh.

The residents said that this open air theatre is only going to cause noise pollution and ruin the peace and quiet of the area.

PU lecturers to boycott evaluation work?

DDPUE Clarifies

Mysuru, Mar.19 (US&RK)- The State Pre-University Lecturers and Principals have decided to boycott the evaluation of second PU examination answer scripts set to begin from Mar. 26 as the government has not resolved their pay disparity issues.

According to PU Lecturers Association President Thimmaiah Purle and PU Principals Association President Srikante Gowda, they would begin an indefinite strike from Mar. 22 at Freedom Park in Bengaluru.

DDPUE Clarifies

Speaking to *Star of Mysore* this morning, Mysuru District Deputy Director of PU Education (DDPUE) Dayanand said that he learnt about the proposed boycott of evaluation work of PU answer scripts through a section of the Press. However Dayanand said that he has not received any letter in writing from the Lecturers and Principals Association regarding the proposed boycott. Hence, he pointed out that the evaluation work will commence from Mar. 26 at 8 Centres in city as per the schedule.

Trends and Traits

The most-talked about book on the subject of *time*, unarguably, is the publication *A Brief History of Time* by British Physicist Stephen William Hawking (1942-2018). The book, first published in 1988, became a best-seller and sold more than 10 million copies in 20 years. The legendary scientist is said to have written the 256-page book, translated into 35 languages in a decade after it was published, for non-specialist readers with no prior knowledge of scientific theories. The count of readers of the book bearing a simple title and also the count among them who could grasp Hawking's view of time originating at the time of Big Bang (causing the emergence of Planet Earth) are anybody's guess. Now that he has departed, many may *make* time to read the book either by themselves or with a helping hand from the knowledgeable fraternity. Incidentally, the time scale of more than 4.5 billion years as the age of Planet Earth should tickle the minds of people of every generation and ponder over the path taken by human beings, to reach the current unstable situation of the Planet, and explore if the despicable trend and worsening *traits* can be put back on track.

Terms in the series starting from second, minute, hour, day, week, month, year, decade, century and millennium, that we come across while taking stock of multitude of happenings in life have *time* as their common denominator, most of us taking it for granted. The expression time and tide wait for no man succinctly captures the message that no one is so powerful to stop the march of time.

The clock and the calendar remind us about the pace of time's march in *forward* mode. The expression *putting the clock back*, intended to make things the same as they were at an earlier time seems to have emerged due to the *trait* of imagining the times of the past as the *golden period*. Thus, every generation is entitled to that feeling resulting in the charting of a *trend* in human conduct towards themselves as well as all other species in general and Planet Earth in particular, which is none-too-flattering.

The topic of management of time has been made interesting enough by many gifted speakers hoping that their listeners indulge in a reality check on time cultivating desirable *traits* and setting a *trend* that grows from strength to strength. That is also the commonly expressed wish at the time a *New Year* is heralded, as witnessed yesterday with the dawn of *Vilambi Samvatsara*.

FRIENDLY FOES: ***Shah spoke for over an hour. There were several occasions when members of the Opposition parties, particularly from the Congress, tried to interrupt him. At the end of Shah's speech, Rajya Sabha Chairman M. Venkaiah Naidu spoke about the need to maintain decorum during House debates. He addressed members as "mitron" or friends. To that, Congress leader Anand Sharma reminded the Chairman that it was customary to call members "sammananiya sadasyon", or honourable MPs.*** *— In Business Standard.*

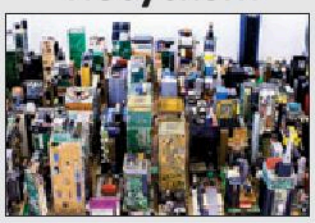
Corporate man wears high-heels to work

Sydney: Ashley Maxwell-Lam, 30, a Project Manager for a major bank in Sydney, Australia, has been wearing six-inch stilettos to work for about a year and claims they make him feel empowered.

The idea of wearing women's high-heel shoes to work came while watched a video of Yanis Marshall, Arnaud and Mehdi, a French trio of male dancers in high heels, on TV, and got him thinking. Then there was female executive at his bank who seemed to tower over every room she walked in, and who claimed it was all in the shoes. Maxwell-Lam got a tips from the female executive to try heels on himself, he did and felt more empowered wearing a pair of stilettos and walking through a marble lobby he said. Ashley, who is openly gay, has been wearing high-heels to work ever since. He doesn't wear them day daily, but he'll always put them on when meeting with new clients.

"Recyclism"



Harare: Zayd Menk, a very patient artist from Zimbabwe, spent three months building a 0.0635:100 scale model of Midtown Manhattan out of discarded computer components.

The 17-year-old artist, who made the model for a school project, used 263 sticks of hot glue, 27 motherboards, 11 CPUs, 10 CRT monitor motherboards, 18 sticks of RAM, 15 batteries, 12 Nokia E-series phones, 7 power supplies, 4 watches, 4 audio cards, 3 hard drives, 2 telephones and various other electronic components to create mathematically sound versions of Manhattan skyscrapers and buildings. To do this he spent much of his time collecting data from sites like Google Maps, Wikipedia and Reddit, and made miniatures.

"I remember the Bank of America tower took me two days to make, trying to figure out all those different angles," Zayd Menk said, referring to the difficulties he had recreating Manhattan's iconic buildings out of discarded electronics. Zayd refers to his art as "recyclism" and describes it as "exploring how man-made junk can be used to make art."

SOM 40 — Wishes from New York

Sir,

Star of Mysore is a *Dhruva Thare* (Pole Star). From New York, I along with my wife and children convey our best wishes to *SOM* on its 40th anniversary celebrations.

In reality, this evening newspaper of Mysuru is like a *Dhruva Thare*. As in every evening it comes out in the blue sky and delights the sky-watchers all over the world with its bright radiance; so is *Star of Mysore* for the people of Mysuru and surrounding districts.

And K.B. Ganapathy, Editor-in-Chief of *Star of Mysore*, is like *Dhruva*. The newspaper has such hidden features, it makes the readers addicted — when evening comes, even on a holiday, the reader will look for the paper outside his doorstep.

I came in contact with Ganapathy in the year 1991 after getting transferred from Hindustan Paper Corporation's head office in Kolkata to Mandya National Paper Mills in Belagola. He used to publish news about the paper mill, its losses and problems. And sometimes he had talked to me over phone to know the facts.

Star of Mysore was a popular newspaper at that time and soon we became regular subscribers. And now we are so addicted that until we see the newspaper we feel as if something is pending. Same feeling when we are in America also. Now we are in New York, time difference is 10-and-a-half hours behind. After waking up in the morning, my wife and I open *Star of Mysore* Webpage and read Mysuru news on our smartphones.

Two youths meet watery grave

T. Narasipur, Mar.19- Two youths were drowned at Triveni Sangam here when they had gone to take a sacred bath in the light of Ugadi Festival on Mar.18.

Pramod

Tejendraprasad

The two unfortunate victims are Pramod (12) and Tejendraprasad (17) of the taluk's Bannahallihundi village.

Expert swimmers searched the bodies for more than an hour in the river.

Among the two, Pramod had already died and Tejendraprasad, who had consumed a lot of water, was taken to a private hospital in Mysuru for treatment. But the treatment failed and he also succumbed in the hospital.

T. Narasipur Police have registered a case.

Teacher goes missing from city

Mysuru, Mar.19 (KS)- A 23-year-old teacher at a school in Hebbal, who had gone to the school and handed over question papers to a student on Mar.14 at about 9 am and left the place, has gone missing since then.

Annapoorna

The missing teacher has been identified as S.N. Annapoorna. She was engaged and was to got married shortly.

She is 5.3 ft. tall, oily-red complexioned, well-built, round faced, speaks Kannada and English and was wearing an orange coloured saree at the time of going missing.

RBI employee saves man ending life

Mysuru, Mar.19- A Reserve Bank of India (RBI) employee, despite not knowing swimming, has saved a man who was trying to end his life in Kukkarahalli Lake on Mar.17.

RBI employee Gopalaswamy is the one who dared save a life without caring for his own life.

The incident occurred around 5.30 pm. An unidentified person entered the Lake area opposite Senate Bhavan side and suddenly jumped into the Lake.

At this time, though there were many walkers none came forward to save the man's life. Meanwhile, Gopalaswamy, who was also among the walkers, immediately had the presence of mind and gave his mobile phone and purse to a person standing nearby and jumped into the water.

By then, the unidentified man started drowning in the marshy area. Even though Gopalaswamy did not know swimming, he somehow managed to pull out the man and brought him to the shore.

Saviour Gopalaswamy

Asked why he tried to take the extreme step, the man replied that he had some family problems and upset with it he had decided to commit suicide.

Gopalaswamy and others, who had gathered, advised the man to take hold of his life and not to once again make an attempt to end his life and sent him back.

The walkers lauded the efforts of the RBI employee.

Mahadev, a relative of Deputy Chairman of the Legislative Council Marithibbegowda, who was also at the spot, shared the brave effort of the RBI employee along with the photo with *Star of Mysore*.

Female elephant rescued by Forest Department in Kodagu dies

Another elephant found dead in Srimangala

Female elephant which died at Kodagu. Picture right shows another elephant found dead in Srimangala.

Kushalnagar, Mar.19 (KS)- A female elephant, which had come from Meenukolli Forest in North Kodagu in search of food and had got stuck in a slush at an estate pond in Rangasamudra village, died on Saturday after being rescued by the Forest Department on Thursday.

The female elephant, aged about 35 years, was stuck in the slush at the estate belonging to Parlakoti Jayaprakash and was rescued by the Forest Department. Though Hunsur Wildlife Division Veterinarian Dr. Mujeeb had provided treatment, the elephant was unable to get up and was in a critical stage.

RFO Arun, Mahouts and Forest Department personnel had tried hard to save the life of the elephant but in vain.

Later, the carcass of the female elephant was brought to Chiklihole Forest area in a JCB with the help of elephants Vikram and Harsha from Dubare Elephant camp where Dr. Mujeeb conducted post-mortem.

Following the post-mortem, the Mahouts offered puja to the dead elephant and later cremated in the forest in the presence of DFO Manjunath, ACF M.S. Chinnappa, RFO Arun, DRFO Ranjan, Deviprasad, Mahouts of Dubare Elephant Camp and villagers of Rangasamudra.

Tusker found dead

Meanwhile, a 40-year-old tusker was found dead in the forest area of Srimangala Wildlife Division. It is suspected that the tusker may have died about two days ago.

Srimangala Wildlife Division DFO M.M. Jaya, ACF Dayanand, RFO Veerendra and staff visited the spot. Veterinarian Dr. Mujeeb said that no injuries were found on the body and exact reason for its death would be known after post-mortem.

Unidentified bodies found

Mysuru, Mar.19 (KS)- In separate cases, N.R. Police have found the bodies of an unidentified woman and a man in different locations on Mar.11 in their jurisdiction.

In the first case, N.R. Police have found a body of an unidentified woman at a vacant plot near the park on the Main Road in Subash Nagar.

The woman is aged about 45 years, 5 ft. tall, fair complexioned, oval faced and was covered with a green coloured bed sheet.

In the second case, the Police have found a body of an unidentified man, aged about 45 years at the bus stand near FTS Circle.

The man is 6ft. tall, fair complexioned, oval faced, normal built and was wearing a white coloured shirt and blue colour lungi when found.

The Police, who have shifted both the bodies to MMC&RI mortuary, have asked the kith and kin of the deceased to contact N.R. Police Station on Ph: 0821-2418312 or Police Control Room on Ph: 0821-2418339, according to a press release.

Congress-free Karnataka is our target, says Meerut MP

Meerut MP Rajendra Agrawal addressing BJP party workers meeting at Bharati Convention Centre in Vishveshwaranagar recently as Tamil Nadu BJP General Secretary Narendra, former Minister S.A. Ramdas, City BJP President Dr. B.H. Manjunath, leaders H.V. Rajeev, K.R. Mohan Kumar and M.V. Ramprasad look on.

Mysuru, Mar.19 (RKB&DM)- Asserting that the BJP's aim is to make Karnataka Congress-free (Congress Mukta Karnataka), Meerut MP Rajendra Agrawal has said that Karnataka has become one of the most corrupt States under Congress rule.

Agrawal has been tasked by the BJP Central leadership to look after four constituencies (Chamaraja, Narasimharaja, Krishnaraja and Chamundeshwari) in Mysuru.

Addressing a press conference at a private hotel on Mar. 17, the Meerut MP said that the BJP will go to the people seeking votes under Prime Minister Narendra Modi's effective leadership and the development programmes taken up by the BJP when it was in power in the State.

Accusing the Congress of resorting to vote-bank politics, he warned of any attempts to break Hindu religion and said that the people would teach a befitting lesson to those who try to divide the Hindu society on the lines of caste, creed and community.

Attributing the BJP's sensational victory in Tripura polls to the party's unity, he said the party, which had no representation in the 2013 Assembly, was able to come to power with a thumping victory in the polls held earlier this month because of its well-oiled organisation machinery.

When asked about the by-poll defeats in UP's Gorakhpur and Phulpur, he said that the BJP's loss was due to over-confidence and the party would work much harder to take back these constituencies in the next year's Lok Sabha polls.

Replying to a query on whether the BJP will reach an understanding with the JD(S) to take on Chief Minister Siddharamaiah in Chamundeshwari Assembly segment, he said that the BJP Central leadership would decide on having a pre-poll or post-poll tie up with the JD(S).

Meerut MP Agrawal also expressed confidence of a BJP win in Karnataka.

City BJP President Dr. B.H. Manjunath, leaders Prabhakar Shinde, Ravi Shankar and others were present at the press meet.

Unity among workers at booth-level

Stressing on the need for unity among party workers at the booth-level, Rajendra Agrawal held meetings with prominent leaders and workers of the party. Beginning with K.R. Constituency, he met the workers at Bharati Convention Centre in Vishveshwaranagar.

Appealing the workers to concentrate from the booth-level, he said it was the one and only way to reach the voters from ground level to tilt the balance in favour of the party.

Agrawal addressed party workers of Chamaraja Constituency at Krishnadhama on Sahukar Chennaiah Road and workers of Narasimharaja Constituency at KEB Choultry in Rajendranagar. A large number of workers attended these meetings.

Former Minister S.A. Ramdas, leaders H.V. Rajeev, Nandeesh Preetham, Maruti Rao Pawar, B.M. Nataraj, L. Nagendra, Phaneesh, B.V. Manjunath, M.V. Ramprasad and others were among those present.

Ex-Mayor distributes three-wheelers, cooking gas, autos to beneficiaries

Mysuru, Mar.19 (MTY&NNN)- Former Mayor and Corporator Ayub Khan distributed various facilities including cooking gas and autorickshaws to the residents of Ward No.52 on Mar.17.

He distributed these facilities at a function organised at Udayagiri's Ambedkar Samudaya Bhavan to some of the beneficiaries. Apart from cooking gas cylinders to 80 persons, he gave sewing machines to 25 women, autos to four persons and eight specially designed three-wheelers to physically-challenged persons, all worth about Rs.15 lakh.

Ayub Khan said that there were many people who belonged to the economically weaker section and irrespective of the caste or religion, the facilities were provided to all, after identifying them.

"As a Corporator, Mayor and Ruling and Opposition party leader, I have been able to serve the people of Ward 52 only due to the blessings of residents. Hence, by providing necessary amenities to the poorer sections of society I have been able to retain their confidence. In my Ward people have been living in harmony without discrimination of caste or religion," he said and added, "My service is not limited to just Ward 52 but to the poor people of N.R. Constituency as a whole."

The Day War was Declared on Coorg

By C.P. Belliappa

Courtesy our friends Pemmanda Jepu and Jemy Ganapathy, we spent four wonderful days at the Ooty Club, a place steeped in colonial history. The trophies, the silverware, the honour lists and the photographs of the 'Masters of the Fox Hunt' date back to early 1840s.

During our stay, I got an opportunity to read a well-documented book titled *'Ootacamund - A History,'* written by Sir Frederick Price in 1908, which is otherwise kept in the safe locker. Only two copies of this book exist. I was particularly interested in the **visit of Governor-General Lord Dalhousie to Ooty in 1856,** few details of which I had gathered while writing about Victoria Gowramma. However, what I stumbled upon was even more interesting — **Governor-General William Bentinck's journey to Bangalore, Mysore and Ooty in 1834.** This trip was primarily to coordinate the attack on the 'problematic' Raja of Coorg: Chikka Veerarajendra.

Chikka Veerarajendra and the East India Company were at loggerheads since 1830. Governor-General William Bentinck, who was more interested in reforming India than in annexing new territories, had to finally deal with the Raja of Coorg who had dared the British by keeping in custody one of their emissaries — Kullapalli Karunakaran Menon.

Lord William Bentinck set out from Calcutta on 3rd February 1834 on board the Curacoa to Madras. Bentinck reached Madras on 15th February 1834 and journeyed to Bangalore via Vellore. Travel those days was by horse carriages, bullock carts, palanquins and on horseback, with frequent camping en route.

He wanted first-hand assessment of the situation in Coorg, and for this purpose, the Commander-in-Chief Sir Robert O'Callaghan was in attendance. Strategies on military action against Coorg were finalised in consultations with Sir Robert O'Callaghan while at Bangalore. The Governor-General also had administrative issues concerning Mysore to be discussed. The reason for him to visit Ooty for an extended stay was to improve his rather poor health.

Lord Bentinck stopped over in Mysore and was put-up at the precursor to the Rajendra Vilas Palace atop Chamundi Hill, which was originally built by Robert H. Cole who was the earlier British Resident at Mysore (1811-1827). Bentinck set out for Ooty and it was while camping at Gundlupet on 15th March 1834 that he officially declared war on Coorg. Col. James Stuart Fraser was in overall command. Coorg was encircled from three fronts. Chikka Veerarajendra surrendered on 10th April 1834 and Coorg was annexed by the East India Company. Incidentally, Coorg was the only province to be added to the John Company during William Bentinck's tenure, for which he came under criticism back home in England.

Lord Bentinck's entourage reached Ooty on 22nd March. **At Ooty the only suitable accommodation for the Governor-General and his staff was 'Sir William Rambold's Large House.'** It was a grand hotel built in 1832 by an influential British entrepreneur named William Rambold. However, Rambold soon ran into financial difficulties. The hotel was frequently rented for extended periods of time by senior officers of the East India Company. **It was in 1842 that 'Rambold's Large House' became the Ootacamund Club, or the Ooty Club.** During Lord Bentinck's sojourn in Ooty, Lord Babington Macaulay arrived at the hill station on 25th June 1834. The Governor-General and Macaulay met each other for the first time at Rambold's Large House. **Macaulay chose a small cottage nearby where he lived for several months to draft the Indian Penal Code (IPC).**

Governor-General Bentinck stayed on in Ooty till the end of September 1834. On his return journey he again passed through Mysore and reached Bangalore on 9th October. He sailed aboard the Curacao on 26th October from Madras and reached Calcutta on 14th November 1834.

Dalhousie *Bentinck* *Macaulay*

I checked on Lord Dalhousie's sojourn in Ooty from 7th March 1855 to 29th October 1855. Dalhousie's visit was also for health reasons, and he was due to retire soon. However, he was not too comfortable in Ooty, and shifted to Kotagiri.

During Dalhousie's stay in Nilgiris, one of his ADCs took permission to visit Coorg, where the ADC's brother was a coffee planter. It was in 1852 that Dalhousie had reluctantly given permission to the 'rascally Raja of Coorg' to travel to England along with his daughter Gowramma.

The ADC, on his return, narrated an amusing incident to his boss. Coorg being a rather remote province, news from the outside world took time to percolate. Very often, wild rumours floated amongst the small but growing community of British planters and officers. One such rumour was that the British and their allies had lost the Crimean War, and that Queen Victoria and her family had fled to India! However, Dalhousie who had had a temporary telegraph line installed at Nilgiris had already received the news that the British and their allies had in fact wrested Sevastopol from the Russians.

On his journey back to Calcutta, Dalhousie stopped over in Bangalore during early November 1855, and was the guest of Sir Mark Cubbon. Dalhousie narrated the 'Coorg rumour' to the British officers, much to their amusement. After inspecting the troops, he formally announced the British victory at Sevastopol. Fast forward, 2014: Vladimir Putin has Crimea back in the Russian fold.

Don't Waste Water

Mysuru City Corporation warns

Residents caught wasting water to be fined

Jagadeesha

Mysuru, Mar. 19 - "Do not waste drinking water otherwise your water connection will be cut." This is the advisory (or call it a warning) issued by the Mysuru City Corporation (MCC), ahead of dry and hot days.

The Corporation is already chalking out plans to battle water crisis during summer at a time when there is no clarity over the Cauvery water sharing between Karnataka and Tamil Nadu during crisis situations. One strategy to save water is to inform residents not to waste drinking water.

MCC Commissioner G. Jagadeesha said that action will be taken on people who waste drinking water. "Generally, people wash their vehicles and their courtyards, water their lawns and also bathe their pets. We have asked them to use water judiciously as we have to tide over at least three months of summer," he said.

"The only way out is for us to initiate systems to drastically reduce usage and learn to re-use waste water. Water is irreplaceable and has no substitutes. By practising simple steps we can conserve water and ensure its availability," he added.

Residents have to regularly check their overhead and underground tanks for leakage as gallons of water will be wasted due to leaks. "We will also levy fines on both domestic and commercial consumers for water wastage. For domestic users, the penalty would be lesser compared to commercial consumers," he said and added, "We have asked residents to install ball valves to their sumps and overhead tanks."

Jagadeesha said he had written to the Irrigation Department to reserve certain quantity of water in reservoirs for drinking purposes of Mysuru during summer. "Mysuru requires 0.4 Thousand Million Cubic Feet (tmcft) per month. We have asked the department to reserve minimum of 1.2 tmcft for three months to ensure potable water could be supplied to the city till the arrival of monsoon," he added. Everyday 250 MLD (million litres per day) water is being supplied to the city from rivers which are being pumped from Belagola, Hongalli, and Melapura pumping stations.

"The Centre and State Governments and the MCC have come together to build two giant ground-level water storage tanks. These tanks will boost the storage capacity and both tanks can store of 13 million litres of water. Over 40 percent of the works have been completed," MCC officials said. While one tank is being built near the existing tank at Vijayanagar Second Stage, another tank is coming up at Yadavagiri, opposite Vikram Hospital inside the premises of the office of Executive Engineer, Karnataka Urban Water Supply and Drainage Board (KUWS&DB), they added. The two new water tanks, in addition to the bigger and smaller tanks in city, will increase the storage capacity for the city to tide over crisis situations, officials said.

According to officials of Irrigation Department, there is just 11.6 tmcft in Krishna Raja Sagar reservoir and 6.62 tmcft water stored in Kabini reservoir. Water level in the reservoirs may go down further in the coming days, officials said, adding that they have reserved a certain quantity for drinking purpose.

Water Inspectors to identify water wastage in their jurisdiction

Vani Vilas Water Works (VVWW) Executive Engineer Anand told *Star of Mysore* this morning that Water Inspectors of all MCC Wards will identify water wastage and report the matter for further action.

He said that the Water Inspectors, who will be on rounds in their jurisdiction, will identify water wastage in houses such as water overflowing from sumps sans ball valve to control water; water overflowing from overhead tanks; owners washing vehicles in front of their houses using drinking water; washing front portion of houses etc. and will click photographs and take down the address of such houses.

He said that the Water Inspectors will also look into CCTV footages of cameras installed on roads and houses and then give their report to the Executive Engineer of VVWW who will take further action.

Exclusive Rural Grievance Cell: Whom to contact?

A separate cell has been constituted to hear the grievances of rural residents from Mysuru district regarding drinking water. The cell will accept complaints and forward the same to the departments concerned.

Illegal Ranga Mantapa in a Public Park!

(Continued from page 1)

Emphasising that the Mantapa has been designed to provide ample space for children to practise yoga and other physical exercises, MLA Somashekar said that the Green Room that adjoins the Mantapa will facilitate the elderly walkers to relax.

The MLA also ruled out installation of a sound system at the park as speculated.

Referring to the State Cabinet's decision to drop MUDA Layouts in Kurubarahalli Sy. No. 4 and Alanahalli Sy. No. 41 from 'B-Kharab' classification, thus bringing huge relief to thousands of residents, Somashekar, taking credit to himself for the Cabinet decision, said that it took him more than three months to go deep into the complex issue.

Pointing out that following the Cabinet decision, all MUDA Layouts coming under Kurubarahalli Sy. No. 4 and Alanahalli Sy. No. 41 will now be transferred to MUDA, Somashekar said that at present, he has been working hard for issuance of a Government order in this regard.

Accusing former Minister and BJP leader S.A. Ramdas of associating himself with the then Deputy Commisioner P.S. Vastrad to classify the lands as 'A-Kharab' when in fact the said lands belonged to the Government, Somashekar said that the then BJP MLC G. Madhusudan, taking objection to this, had moved the Court challenging the then DC's action.

On the occasion, MLA Somashekar was felicitated by K.C. Nagar Residents Welfare Association for solving the Kurubarahalli and Alanahalli row.

The Association appealed the MLA to ensure 24x7 Cauvery water to the locality.

Martyred Jawan A.P. Prashanth's brothers, who arrived at the spot, appealed the MLA to name the Makkala Mantapa after A.P. Prashanth only and no one else.

Area Corporator Vanitha Prasanna, MCC Development Officer Lingashetty, Junior Engineer Meghana, Advocate Manu Muthappa, Association President Ramachandra, Hon. President Umesh, office-bearers Anand, Vishwanath and Vanitha Narayanagowda, JD(S) leader Sathyanarayana and others were present.

Residents oppose Ranga Mantapa

Meanwhile on Saturday, the K.C. Nagar Residents Welfare Association, suspecting that the *guddali puja* would be performed for an open air theatre, had strongly objected to the MCC's move.

The residents alleged that the MCC had proposed to construct the Mantapa at the spot in violation of the Court Order.

Pointing out that the MUDA, in its advertisement in newspapers while calling applications for distribution of sites, had assured of a vast park in the Layout, they maintained that the MCC's move to construct the Mantapa defeated the very purpose of creating a refreshing atmosphere in the area.

They further alleged that the proposed Ranga Mantapa would facilitate organisation of several programmes such as Ganesha Festival, Rama Navami, anniversary celebrations and the like, which would disturb the calm and peaceful atmosphere that prevails in the locality and also will be a dishonour to martyr Prashanth.

Corporator Vanitha Prasanna said that it was proposed to build a Ranga Mantapa after some residents of K.C. Nagar submitted a representation to the MCC in this regard. As such, the MCC had come forward to construct the Mantapa at a cost of Rs.13.5 lakh, she said and added that, however, the plan will be dropped if there were objections.

Court stays building of compound wall in land near Hinkal Temple

Mysuru, Mar.19 (SPN&DM)- A city Court has directed private Educational Institutions to stop all construction activities in the land adjoining Nanneshwara Swamy Temple at Hinkal, until further orders. Advocate H.P. Mahadeva Swamy had moved the city's Third Additional Civil Court (Junior Grade) seeking a stay to the construction of a wall by Private Educational Institutions at the site and also to withdraw the Police security provided for construction activities.

The advocate in his petition had cited that it was an emotional issue for thousands of residents of Hinkal as the Temple existed for centuries. The Court, which heard Mahadeva Swamy's plea, stayed all construction activities by Educational Institutions at the site and told to maintain status quo until further orders.

The Court posted the next hearing in the case to Mar.19.

Following the Court order directing to stop construction of the compound wall and to maintain status quo, the residents of Hinkal who had launched an indefinite stir three days ago, withdrew their stir. Soon as the Civil Court issued the order, Hinkal residents performed special puja at Nanneshwara Swamy Temple and took out a procession in the streets of the locality.

Newly-wed couple attempts suicide

Bride dies, groom hospitalised

Hunsur, Mar.19 (Raghu&KS)- In a tragic incident, a newly-wedded couple, attempted suicide by hanging themselves to a tree near a Petrol Bunk at Tondalu village in the taluk this morning.

While the bride breathed her last in the incident, the groom has been admitted to a hospital by the villagers.

While the deceased has been identified as Jamuna (28), daughter of Muthu Shetty, a resident of Kuvempu Layout in K.R. Nagar, the groom, who was rescued by the villagers and admitted to Hunsur General Hospital, has been identified as 25-year-old Dilip, son of Srinivas and a resident of Tondalu Village in the taluk.

Dilip and Jamuna reportedly got married at a temple in Tondalu village yesterday and both went to Dilip's house, where the parents of Dilip opposed their marriage and allegedly scolded them.

Depressed over this, Dilip and Jamuna, who came near the Petrol Bunk in the village this morning, reportedly hanged themselves to a tree nearby.

While Jamuna died due to hanging, Dilip, who was found struggling, was rescued and rushed to Hunsur General Hospital by the villagers.

Hunsur Town Police, who rushed to the spot, conducted mahazar, brought down the body of Jamuna and shifted the body to Hunsur General Hospital for post-mortem.

Town Police, who have registered a case in this regard, are investigating.

Will step up vigil on Naxal activities in Kodagu: IGP

Mukherjee

Madikeri, Mar.19- Stating that the Anti-Naxal Force (ANF) and the District Police were capable of crushing any Naxal activities in Kodagu district, IGP (Southern Range) Soumendu Mukherjee has said that, however, vigil will be stepped up across the district as a security measure. Soumendu Mukherjee, who was on his first visit to Madikeri after taking charge as IGP (Southern Range), held a meeting with Dy.SPs, Inspectors and Sub-Inspectors of the district here on Saturday.

Speaking at the meeting, the IGP directed the Police personnel to take adequate security measures to ensure that no untoward incidents take place during polling.

Later speaking to *Mysooru Mithra, SOM's* sister concern, Mukherjee said that the District Administration will decide the issue of gun license holder depositing their guns at Police Stations during polls. Maintaining that the District Police are yet to receive an instruction in this regard from the District Administration, the IGP said that internal security wing has already informed the Government that polling booths in some villages of Napoklu, Irpu and Sampaje hoblis have been declared as Naxal-affected ones.

Pointing out that there was staff shortage in the entire State and Kodagu was no exception, Mukherjee said that the Government has sanctioned 112 Constables for Kodagu district and they will be joining the Police force after completion of training.

Earlier, Soumendu Mukherjee was given Police honours on his first visit to the District as IGP (Southern Range). SP Rajendra Prasad and other Police personnel were present.

Lalu Yadav convicted in fourth Fodder Scam case

Lalu Yadav

New Delhi, Mar. 19 - Former Bihar Chief Minister Lalu Prasad Yadav has been convicted in the fourth case pertaining to the fodder scam, while his predecessor Jagannath Mishra has been acquitted by a Court in Jharkhand's Ranchi this morning.

The fodder scam involves the embezzlement of government funds in the name of cattle fodder. The multi-million-rupee scam surfaced in the 1990s when Lalu Prasad was the CM of Bihar.

Lalu Prasad was convicted in the first fodder scam case in 2013 and was sentenced to jail for five years. He was convicted by a Special CBI Court in a second case on Dec. 23, 2017 and was sentenced to three-and-half years in jail. He was sentenced to jail for five years after being held guilty in a third case in January, related to money swindled from the Chaibasa treasury.

The fifth case relating to fraudulent withdrawal of Rs.139 crore from the Doranda treasury in Ranchi is pending with the Court.

The fodder scam probe was handed over to the CBI on Patna High Court's order.

Nidahas Trophy - 2018

Dinesh Karthik's last ball six helps India clinch Tri-series

Colombo, Mar.19- In a thrilling final over, Dinesh Karthik scored a six of the last ball of the match off medium-pacer Soumya Sarkar and helped India to score a four-wicket win over Bangladesh which enabled India to clinch the Nidahas Trophy.

Rohit Sharma scored a fine 56 but India made a mess of what looked like a simple chase when the skipper was batting.

Vijay Shankar who was promoted up the order ahead of Dinesh Karthik struggled to get any sort of timing, ending unbeaten on 17 off 19 balls.

Karthik walked into bat when Bangladesh were on top and India needed a special effort from the experienced batsman. He certainly delivered, scoring 29 off just 8 balls which included three sixes and two boundaries. Karthik played the best knock of his T20 career and changed the game completely.

Five runs were required off the final ball, and Soumya Sarkar was the unlucky bowler who conceded a maximum off the final delivery.

Set a target of 167 for victory, India lost in-form Shikhar Dhawan (10) and Suresh Raina (0) early in the chase, but Rohit and K.L. Rahul then got together to stitch a 51-run partnership, looking fluent and finding boundaries at ease.

Rohit was at his best, clearing the rope at will and also finding the middle off the bat. Bangladesh got back into the game after both these batsmen were dismissed in quick succession.

Manish Pandey and Vijay Shankar failed to find that big over which would settle the game, allowing Bangladesh to fight back.

India needed 35 off the final 3 overs, when Mustafizur bowled arguably the over of the tournament. He conceded just 1 run and picked the wicket of Manish.

Earlier, put into bat, Sabbir Rahman scored a fine 77 to help Bangladesh reach 166/8 in their allotted 20 overs.

The total looked below par as the Indian spinners led by Yuzvendra Chahal strangulated the Bangladeshi batsmen.

Tamim Iqbal was dismissed early in the piece, with Shardul Thakur pulling off a sensational catch on the boundary line. Experienced Mushfiqur (9) and Shakib (7) couldn't contribute much either.

Sabbir played a lone hand, supported by cameos from Mahmudullah (21) and Mehidy Hassan (19). Chahal picked up 3/18 in his 4 overs while Washington Sundar - who was also named the man-of-the-series - ended with figures of 1/20. Unadkat too picked up 2 wickets, giving away 33 runs.

Badminton Championship

Lin Dan stunned by Shi Yuqi in All England Open final

Birmingham, Mar.19- Chinese star Lin Dan was denied a seventh All-England Open title as his young compatriot Shi Yuqi clinched a shock victory in yesterday's final.

Seventh seeded Shi profited from Lin's lacklustre play to win 21-19, 16-21, 21-9 in Birmingham. The 22-year-old was able to utilise his speed and hard-to-read overhead attacks without inhibition against one of the sport's all-time greats.

Earlier, Tai Tzu Ying, the world number one from Taiwan became the first women's Singles player in more than a decade to successfully defend the title.

Tai Tzu Ying, scored a 22-20, 21-13 win over Akane Yamaguchi, the world number two from Japan, in which Tai had to save a game point in the first game.

Tai ended Yamaguchi's hopes of becoming the first Japanese player to win the All-England women's Singles title since Hiroe Yuki more than 40 years ago. But two other Japanese players did make All-England history.

Yuta Watanabe and Arisa Higashino became the first pair from their country ever to win the Mixed Doubles title. It was an even bigger upset because they had been unseeded, while the fifth-seeded Chinese pair, Zheng Siwei and Huang Yaqiong, whom they beat 15-21, 22-20, 21-16, had been favourites going into the final.

Earlier on Saturday, India's P.V. Sindhu lost in the Women's Singles semi-finals to Japan's Akane Yamaguchi 21-19, 19-21, 18-21 to bow out of the Tourney.

Australian women's cricket team regain No.1 spot

Vadodara, Mar.19- Australia's women's cricket team have reclaimed the No.1 spot on the ICC world rankings after Alyssa Healy's maiden ODI century helped Australia to a 97-run win and 3-0 series whitewash against India on Sunday.

Captain Meg Lanning elected to bat after winning the toss and Australia set the pace with an innings of 7-332. Healy managed to dig in after quickly losing fellow opener Nicole Bolton (11) and then Meg Lanning (18), reaching 133 off 115 balls before being caught off a Poonam Yadav delivery. Rachael Hayes' 43 and a rapid 34 from Beth Mooney helped push Australia over 300.

India made a fast start to their chase, reaching 0-101 before two wickets in as many balls to Ashleigh Gardner (3-40). Jess Jonassen and Nicola Carey then claimed the key wickets of Mithali Raj (21) and Harmanpreet Kaur (25).

Although Deepti Sharma (37) and Sushma Verma (29) did their best, the tail was ably cleaned up by Megan Schutt (2-54) and Ellyse Perry (2-40).

Alyssa Healy in action.

Following series win, Australia returns to Mumbai for the Twenty20 tri-series with England and India, which starts on Mar.22.

Commission recommends State honour for Pourakarmikas who die while in service

Karnataka Safai Karmachari Commission Chairman inaugurates seminar

Karnataka Safai Karmachari Commission Chairman M.R. Venkatesh is seen lighting the lamp to inaugurate a seminar on facilities and healthcare for Pourakarmikas of Mysuru division at Kalamandira in city on Mar. 17 as Commission's former Chairman Narayana and others look on. Picture right shows a section of Pourakarmikas.

Mysuru, Mar.19 (PM&DM)- A day-long seminar on facilities and healthcare for Pourakarmikas of Mysuru division, was held at Kalamandira here on Mar. 17.

Speaking after inaugurating the seminar, Karnataka Safai Karmachari Commission Chairman M.R. Venkatesh said the Commission has recommended that Pourakarmikas who die while in service must be given State honours, just as in the case of martyred jawans, who sacrifice their lives fighting for the nation. Pourakarmikas too risk their lives while maintaining the health of the society, he added.

Pointing out that the State Government had sanctioned Rs. 9 crore to the Health Department for taking care of the health of Pourakarmikas who work under strenuous and hazardous conditions, Venkatesh observed that Pourakarmikas were a vital link in the healthcare system.

Quoting a survey where it is said only 25 per cent of Pourakarmikas live to complete their service when the rest die while in service due to various ailments, he underlined the need for the Pourakarmika fraternity to be careful about their health.

He gave a brief on all the facilities extended by the Government for the welfare of Pourakarmikas.

The Commission's former Chairman Narayana said that there were 12 lakh contract Pourakarmikas across the country with more than 42,000 of them in Karnataka.

Regretting that contractors were exploiting the outsourced Pourakarmikas, Narayana said the State Government has taken the initiative for abolishing the contract system.

Pointing out that Pourakarmikas would get monthly wages of Rs. 21,000 if the 6th Pay Commission recommendations come into effect, Narayana called upon the Pourakarmikas to be informed about various benefits and facilities extended to them by the Government.

Hundreds of Pourakarmikas serving in different levels of local bodies in Mysuru and Chamarajanagar districts attended the programme. Mayor B. Bhagyavathi, ZP President Nayeema Sultana, Corporator Shivanna, Commission member G.K. Meenakshamma, MCC Additional Commissioner Ravindra and others were present.

Doctors stage protest against National Medical Council Bill

IMA BHARATH YATHRA
DR. M.D. SACHIDANANDA MURTHY MEMORIAL GROUP OF HOSPITALS
Mysuru, Hullahalli, Santhemarahalli
WE OPPOSE THE NMC BILL
NMC

Mysuru, Mar.19- Strongly opposing the Union Government's move to pass the National Medical Commission Bill, members of the Indian Medical Association (IMA), Mysuru, staged a protest in front of the Deputy Commissioner's Office here on Friday last.

The doctors took out a cycle and bike rally starting from J.K. Grounds and passed through Railway Station Circle, Dasappa Circle and Field Marshal K.M. Cariappa Circle (Metropole Circle) to reach the DC Office.

According to the National Medical Commission Bill, a 20-member National Medical Council will be formed with only five members from the medical sector and the rest from non-medical backgrounds.

When the Council will be represented by political heads and leaders, the ultimate sufferers will be the general public, the protesting doctors claimed.

Continuing, the protestors said that the Bill provides provision for a bridge course on Ayurveda, Unani and Siddha medicine which in turn will lead to the decline of quality of MBBS courses and doctors with limited knowledge about the subject will treat patients.

They further said that students who complete the 5-year MBBS course along with a year of internship will have to clear the National Exit Exam in order to get a medical practitioner's licence, which will only add to the burden of students.

IMA office-bearers Dr. Sujatha Rao, Dr. M.S. Vishweshwara, Dr. Jayanth, Dr. S.P. Yoganna, Dr. Harish and others were present.

Union Minister inaugurates

37th Jan Aushadhi Kendra in city

Mysuru, Mar. 19- Union Minister of State for Chemicals and Fertilisers, Mansukh L. Mandaviya, on Mar. 16, inaugurated the 37th Jan Aushadhi Kendra in the city at the University Layout.

Later interacting with the gathering, Mandaviya said this was also the 3,301st Jan Aushadhi Kendra in the country, 279th in the State and 58th in the district. Pointing out that another 200 varieties of medicines will be added to the centres to the existing 800, he said that the citizens can place orders online too.

Noting that the authorities have developed software for the purpose, which will be launched in a month, he said that the availability of medicines at a particular shop will be uploaded on a public domain shortly.

Lauding former Minister and BJP leader S.A. Ramdas for his efforts in setting up Jan Aushadhi Kendras, the Minister said the Kendras were aimed at providing quality medicines at affordable prices to the people.

Citizens urged the Minister to provide more medicines related to Urology, Neurology and other combination drugs.

Mandaviya was felicitated on the occasion. MLC Sunil Subramani, Bharat Petroleum Corporation Limited (BPCL) Senior Marketing Manager Parashuram Kenchareddy, District BJP President Kote M. Shivanna and others were present.

Three bike-lifters nabbed during routine checking by Traffic Cops

Mysuru, Mar.19 (KS) - Traffic Police personnel, attached to K.R. Traffic Police, have nabbed three two-wheeler lifters during their regular checking of vehicle documents near Agrahara Circle here on Saturday.

The nabbed bike-lifters have been identified as 22-year-old Asif, 21-year-old Harish and Pradeep. Harish and Pradeep are said to be the residents of Srirangapatna.

The Traffic Police, who were conducting checking of documents at Agrahara Circle, spotted three youths riding different bikes in a rash manner and stopped them. When the Police asked them to produce the vehicle documents, the youths were unable to do so and on further questioning, the youths are said to have told the Cops that they had stolen the bikes from various locations, following which the Police detained them for further questioning. During interrogation, the youths are said to have confessed that they were daily labourers and used to steal two-wheelers parked in parking lots and sell them for lesser price.

The Police, who arrested the three youths, seized the three bikes and produced them before a Court, which remanded them to Judicial custody.

Two held for stealing cash

Mysuru, Mar.19 (RK&NNN)- K.R. Police have arrested two youths who had stolen Rs.1,06,000 cash from Aishwarya Fruit Stall in K.R. Market belonging to Naga alias Kulla Loki.

The arrested are Ravi alias Papa alias Loose and Dhanush alias Danny, both residents of Ashokapuram. The duo had stolen the cash from the fruit shop about eight to ten days back and a case was registered in this regard. The Police traced the duo in T. Narasipur, arrested them and recovered Rs.70,000 cash. They were produced before the Magistrate last night at his residence and were remanded to Judicial custody.

Woman patient injured as under-trial breaks window pane

Mysuru, Mar. 19 (KS) - A woman patient, undergoing treatment at K.R. Hospital here, was injured when glass shards of a window pane which was allegedly broken by an under-trial pierced her on Friday.

While the under-trial has been identified as Venkatagiri Gowda, the injured woman has been identified as Gowramma.

Venkatagiri, an inmate of Mysuru Central Prisons, was brought to the ENT Department at K.R. Hospital for treatment on Friday, when he smashed the glass of a window resulting in the glass shattering and glass pieces piercing Gowramma resulting in minor injuries to her.

Meanwhile, the Resident Medical Officer (RMO) of K.R. Hospital has lodged a complaint with Devaraja Police, who have registered a case and are investigating.

WORD OF THE DAY

Uncanny

Pronunciation: Un-KAN-ee (adjective)

Meaning: Seeming to have a supernatural character or origin: eerie, mysterious.
Origin: Weird and eerie are synonyms of uncanny, but there are subtle differences in the meanings of the three words. Weird may be used to describe something that is generally strange or out of the ordinary. Eerie suggests an uneasy or fearful consciousness that some kind of mysterious and malign powers are at work, while uncanny, which debuted in the 18th century, implies disquieting strangeness or mysteriousness. English also has a word canny, but canny and uncanny should not be interpreted as opposites. Canny, which first appeared in English in the 16th century, means "clever," "shrewd," or "prudent," as in "a canny lawyer" or "a canny investment."

THE ODD WORD

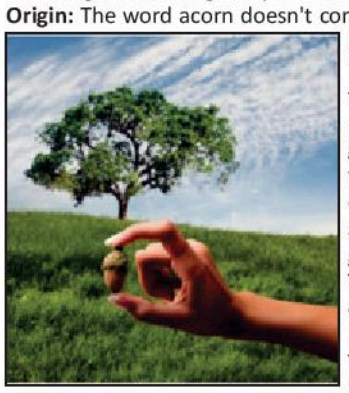
Craic

Fun and entertainment, especially good conversation and company (often preceded by the): Come for the beer, lads, and stay for the craic!

PHRASE OF THE DAY

Mighty oaks from little acorns grow

Meaning: Great things may come from small beginnings.
Origin: The word acorn doesn't come from 'oak' and 'corn', as is popularly supposed, but from the Old English 'aecern', meaning berry or fruit. The tree genus Acer comes from the same root. Mighty oaks from little acorns grow before oaks were mighty they were first either great, tall, sturdy or even just big. Examples of early variants of 'mighty oaks from little acorns grow' are found in Geoffrey Chaucer's Troilus and Criseyde, 1374, "as an ook cometh of a litel spyr" [a spyr, or spire, is a sapling.]



Thomas Fuller's Gnomologia, 1732: "The greatest Oaks have been little Acorns." and in an essay by D. Everett in The Columbian Orator, 1797: "Large streams from little fountains flow, Tall oaks from little acorns grow." The Oxford Dictionary of Quotations states that 'great oaks from little acorns grow' is a 14th century proverb. Unfortunately, they don't include any details to support their view. The 'mighty' version is known, in the USA at least, from the middle of the 19th century. It appeared in A. B. Johnson's The Philosophical Emperor a Political Experiment, 1841.

QUOTE BOX

A goal should scare you a little, and excite you a lot.

— Joe Vitale
